Q2 Recall that the training session consists of three parts.

You should expect to spend roughly 10 minutes on each part.

In the first part, you will see silent videos and a sentence that describes what happens in the video. Each sentence will contain a Polish verb which is presented in italics and in red. We want you to learn these words!

In the second part, you will see the same sentences again, but this time they will be accompanied by still images from the videos as a form of revision of what you have learned in the first part.

In the final part of today's practice, you will see an image and a sentence. Your task is to decide whether the new Polish word has been used correctly.

Move on to the next page to start!
